FOR IMMEDIATE RELEASE

**KENYON INTERNATIONAL TO ATTEND
EUROPEAN REGIONS AIRLINE ASSOCIATION'S GENERAL ASSEMBLY**

11 September 2018 – Kenyon International Emergency Services, a global leader in disaster management, is pleased to announce that their Commercial Team will attend European Regions Airline Association's (ERA) 2018 General Assembly. The ERA General Assembly is ERA's largest event of the year and takes place this year on 9-11 October 2018 at the Edinburgh International Conference Centre (EICC), Scotland.

"Our team is greatly looking forward to seeing friends and clients again in Edinburgh, especially during this very interesting time in European regional aviation," states Kenyon Vice President, Commercial Services Conor Prendergast.

The ERA General Assembly is a members-only event. Only delegates from ERA member companies may register to attend. To register, please [click here](#).

The [ERA](#) is a non-profit trade association representing the European aviation industry, founded in 1980. Its strength and influence spans more than three decades, since its inception ERA has developed and grown in size and reputation to represent 49 airlines and 144 service providers including airframe and engine manufacturers, airports, suppliers and service providers from all over Europe. ERA works on behalf of its members to represent their interests before Europe's major regulatory bodies. The association also brings members together to exchange information and learn from each other through different events and forums for members to meet. A major role for ERA is to raise the profile and importance of our members to the economic and social development of Europe.

About Kenyon International Emergency Services

Kenyon is the international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation, industrial and natural disasters, war and terror attacks. Headquartered in Houston, Texas, Kenyon has offices or facilities in Sydney, Australia; Bracknell, UK; Santo Domingo, Dominican Republic; and Beirut, Lebanon.
