FOR IMMEDIATE RELEASE

SEAN GATES JOINS KENYON AS SVP OF LEGAL SERVICES

Houston, December 1, 2013 – Kenyon International Emergency Services is pleased to announce the appointment of Mr. Sean Gates as Senior Vice President of Legal Services. In this capacity, Sean provides expert opinion and legal counsel to Kenyon-retained clients immediately following an accident as part of Kenyon’s Legal Advisory Service.

In a career spanning more than 30 years, Sean has acted for airlines and their insurers as lead counsel in the aftermath of a significant number of aviation disasters. Sean recently retired from aerospace niche law firm Gates and Partners and is now a non-practicing solicitor. Since 1998, Sean has been the Legal Adviser to the International Union of Aviation Insurers (IUAI), an organization comprised of the world's leading aviation insurers. Sean also shares his expertise as Honorary Legal Adviser to the British Air Transport Association (BATA) and as Legal Counsel of the European Regions Airlines Association (ERAA).

Speaking about Sean’s new role, Kenyon International’s Chief Executive Robert A. Jensen said, “It is a hugely important step for Kenyon and our clients. Many clients have asked Kenyon our opinions on complex insurance and legal issues, often when they are in middle of serious incident, now we can provide them direct access to the most experienced resource in the business – Sean Gates – for immediate answers and help. A resource focused solely on the needs of the client, and no one else. I could not be happier to have Sean as part of the management and response team.”
