FOR IMMEDIATE RELEASE

KENYON INTERNATIONAL RESPONDS TO LAM FLIGHT TM470

Houston, November 29, 2013 – Kenyon International Emergency Services has deployed an emergency response assessment team to assist LAM Mozambique Airlines' response for Flight TM470 (<http://www.lam.co.mz/>). In coordination with LAM, Kenyon has activated an Emergency Management Center at its UK office and is providing crisis communications support at the airline's headquarters in Maputo. Specialist staff and equipment have been deployed to Africa to support the Namibian and Mozambique authorities with the recovery operation.

In the coming days, Kenyon will work with LAM and government officials to help positively and accurately identify the victims of this terrible accident. Kenyon will utilize its mobile mortuary and data management systems under the direction of the national authorities. Experienced teams will be used to ensure that the families are kept fully informed of the progress of the examinations.

Kenyon remains committed to taking care of the families and ensuring that the deceased are treated with dignity and respect. Our deepest sympathies are with the families and friends of TM470 passengers and crew.

About Kenyon International Emergency Services, Inc.

Kenyon is the international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation, industrial and natural disasters, war and terror attacks. Headquartered in Houston, Texas, Kenyon has offices and facilities in Sydney, Australia; Bracknell, UK; Santo Domingo, Dominican Republic; and Beirut, Lebanon.
