

Kenyon International Deploys Portable Morgue to Assist Montgomery County, Pennsylvania

(Houston, Texas) Kenyon International Emergency Services, the world's largest disaster management company, is deploying its Houston-based Portable Morgue to assist the Coroner's Office in Montgomery County, Pennsylvania, after a major water main breakage flooded several offices and damaged morgue equipment.

A team of three Kenyon Operations Specialists are now on the ground to provide technical support to set-up and operate the morgue equipment. Kenyon is also providing additional support equipment to maintain daily operations at the Coroner's office.

About Kenyon International

Kenyon is an international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation disasters, natural disaster, war and terror attacks. Headquartered in Houston, Texas, it has offices and facilities in Sydney, Australia, London, UK, and Hong Kong and Beirut, Lebanon.
