FOR IMMEDIATE RELEASE

KENYON CEO PRESENTS AT HRSOUTHWEST'S 75th ANNIVERSARY CONFERENCE

Dallas, 26 September 2016 – Robert A. Jensen, CEO of Kenyon International Emergency Services, will hold a risk management session as part of the 75th annual HRSouthwest Conference on 18 October at the Fort Worth Convention Center. The session will provide insight on how human resources professionals effectively respond to and manage the death of employees well beyond the first few hours of crisis.

In his discussion, Mr. Jensen will provide tips on setting and managing the expectations of the affected families, coworkers, and the public. He will also cover how to implement a plan of action to assist the affected's transition from what was normal to the new normal without their loved one or colleague.

The HRSouthwest Conference (HRSWC) is the premier regional human resources conference in the United States, providing more than 100 educational sessions from thought-leading speakers, an abundance of networking opportunities and an exciting marketplace of more than 200 HR solutions and services. Learn more and register for the conference at hrsouthwest.com.

About Kenyon International Emergency Services, Inc.

Kenyon is the international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation, industrial and natural disasters, war and terror attacks. Headquartered in Houston, Texas, Kenyon has offices or facilities in Sydney, Australia; Bracknell, UK; Santo Domingo, Dominican Republic; and Beirut, Lebanon.
