

Mazen Bekdash is Appointed Regional Manager of Kenyon International Emergency Services New Middle East Office

(Houston, Texas) Kenyon International Emergency Services has named Mazen Bekdash as Regional Manager of its New Middle East office in Beirut, Lebanon.

“Mazen brings a wealth of knowledge and experience in aviation safety and emergency response to Kenyon,” said Jerry Allen, Vice President of Kenyon International’s Commercial East Division. “He is well-known in the aviation circles in the Middle East for his expertise in the aviation industry.”

In this newly formed position, Mr. Bekdash will work with existing and potential members in the region, recruit and train regional Team Members along with providing support and local resources for Kenyon operations during incidents in the Middle East.

Prior to his new assignment with Kenyon, Mr. Bekdash held positions with the Arab Air Carriers Organization (AACO), Emirates, Qatar Airways and the Lebanese Air Transport Association in various disciplines such as technical, marketing, quality assurance and emergency response.

Mr. Bekdash attained an MBA Degree in Aerospace Management from Toulouse Business School, a BSc. in Business Studies from the Lebanese American University, a Diploma in Aviation Security Management from Edith Cowan University and Emirates Aviation College, an IATA Diploma in Airline Studies and has been certified in 2008 as an Aviation Security Professional Manager by ICAO and Concordia University.

Kenyon is establishing an office in Beirut to better serve its Middle East members and to respond to incidents in the region.
