FOR IMMEDIATE RELEASE

KENYON INTERNATIONAL TO ATTEND BRITISH INSTITUTE OF FUNERAL DIRECTORS' ANNUAL GENERAL MEETING AND CONFERENCE

5 October 2018 – Simon Hardern, CEO Elect and Vice President, Operations of Kenyon International Emergency Services, will attend the 36th Annual General Meeting and Conference of The British Institute of Funeral Directors (BIFD). Kenyon Office Manager Clare Pascucci will also be in attendance. The annual meeting and conference, which Kenyon is helping sponsor, will be held from 19-21 October at the National Motor Museum Beaulieu, England.

"Clare and I are looking forward to attending this year's event and seeing some of Kenyon's Team Members associated with the the British Institute of Funeral Directors; we at Kenyon really appreciate all the great work they do," states Hardern.

The [BIFD](#) was established in 1982 by a group of funeral directors who believed in education and training for their profession; so that members of the public seeking to use the services of a funeral director should be able to choose wisely and get the best possible professional services on offer. It places the educational and professional development needs of funeral directors at the heart of its work and promotes best practice through continual professional development.

About Kenyon International Emergency Services

Kenyon is the international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation, industrial and natural disasters, war and terror attacks. Headquartered in Houston, Texas, Kenyon has offices or facilities in Sydney, Australia; Bracknell, UK; Santo Domingo, Dominican Republic; and Beirut, Lebanon.
