

Kenyon International Emergency Services Joins Twitter

(October 6, 2010, Houston, Texas) Kenyon International Emergency Services, the world's leading disaster management company has joined the ranks of individuals and business on the social networking site Twitter.com. Kenyon will post the latest information on company news, training opportunities and the updates on emergency deployments.

"More people are looking to the internet as their first stop for news and opportunities to network with other professionals," said Frank Ciaccio, Vice President of Commercial Services. "Twitter is a major source of connecting on the internet with Kenyon's members, emergency management professionals, corporations and interested individuals. Twitter provides Kenyon International with an additional communications stream that will keep followers informed and connected with the organization."
