Kenyon Hosts Senior Nigerian Government Official

(Houston, Texas) The Director General of Nigerian National Emergency Management Agency (NEMA), Mr Muhammad Sani Sidi, visited Kenyon to consider best practice in emergency management at national and regional level. The visit to Kenyon's UK facility in Bracknell was arranged by Bournemouth University Disaster Management Centre (BUDMC). Hosted by Kenyon CEO, the Director General and Richard Gordon of BUDMC discussed the systems that were important for integrated emergency management and were then shown Kenyon's equipment resources for rapidly responding to international events

About Kenyon International

Kenyon is the international leader in worldwide disaster management, providing preincident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation disasters, natural disaster, war and terror attacks. Headquartered in Houston, Texas, it has offices and facilities in Sydney, Australia; London, UK; Beirut, Lebanon; and in the Dominican Republic.
