

For Immediate Release

Robert Jensen to Speak at AACO Emergency Response Workshop

February 4, 2009 (**Houston, Texas**) Arab Air Carrier Organization (AACO) and Kenyon International Emergency Services have organized a two day workshop on the importance of disaster management for airlines from February 7 and 8 in Bahrain. The workshop gives AACO members the opportunity to learn how Kenyon, using their global experience of disaster management, helps Senior Executives, Operational and Emergency Response Managers prepare their companies for events that everyone hopes will never happen. Kenyon International Emergency Services President Robert Jensen will be the keynote speaker.

About Kenyon International

Kenyon is an international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation disasters, natural disaster, war and terror attacks. Headquartered in Houston, Texas, it has offices and facilities in Sydney, Australia, London, UK, and Hong Kong.
